

FASTENING METHOD

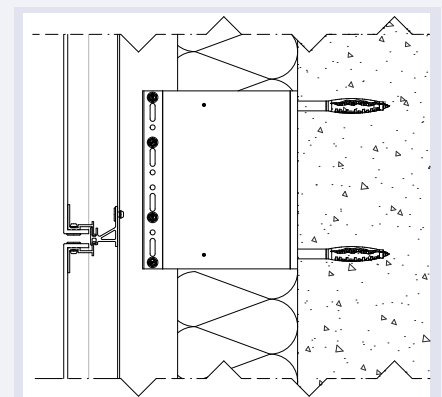

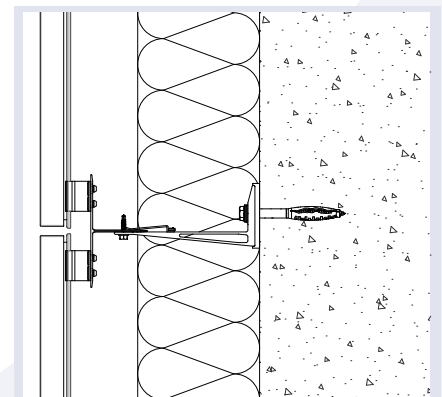

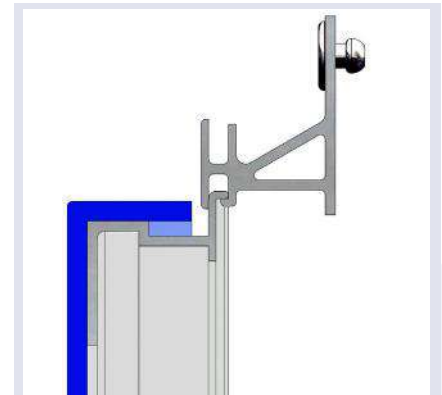

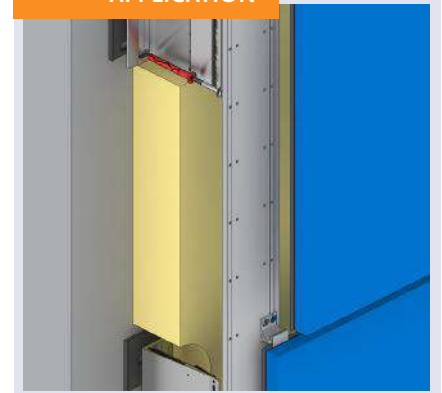

B 015

Invisible fastening method, where cassettes are formed from composite panels. These cassettes are mounted modularly with profiles. The joint can be sealed with the shape of the cassette.

Application: ACP cassettes.

APPLICATION

0585

CASSETTE PROFILE

Material:: EN AW 6060 T66
Surface: Black anodised

0586

CASSETTE CLAMP

Material:: EN AW 6060 T66
Surface: Black anodised

0105

COLOUR-RIVET®

Blind rivet, for attaching 0586.
Size: 5.0 x 10

Material:: Aluminium / Stainless
Surface: Plain

B 015 - ADVICE

Use pre-punched profiles.
